

Education Assistant – Volunteer Role Description

The REME Museum has an excellent reputation for providing stimulating and popular workshops, based on the STEM curriculum, for learners of all ages and abilities. A day when a school visits the Museum is invariably a very busy one, and we are looking for a volunteer who can come in and provide an extra pair of hands to assist Andrew, the Museum's Education Officer.

This will be a very busy, varied and unpredictable role, and will be suited to someone who is able to turn their hand to virtually anything and also think on their feet. Ideally, you will have experience of working with children from primary and/or secondary school ages.

A DBS check will be required for this role.

Why volunteer with us?

As an Education Assistant you will be supporting the Museum's ability to provide engaging educational experiences to young people. You will gain experience of volunteering in a museum environment and of working with children. It is also an excellent opportunity to join the friendly staff team here at the Museum.

We are able to provide travel expenses of 30p per mile up to a maximum value of £25.

About us

The Museum is open from Tuesday to Sunday inclusively. We will work with you to ensure your time commitment is mutually convenient.

The Museum is committed to equality, diversity and inclusion in our employment and volunteering opportunities, and we welcome applications from all members of the community.

Please do contact us for a preliminary discussion if you are interested; our email address is enquiries@rememuseum.org.uk, or you can telephone us on 01249 894869.

We look forward to hearing from you!
